

## Mlsná kočička

Jedna

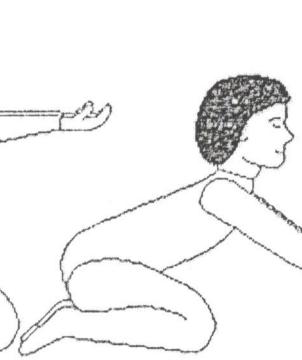

malá

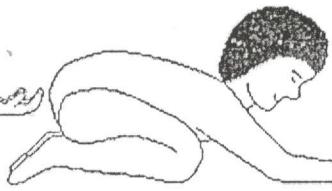

kočička měla pusu od mlíčka,

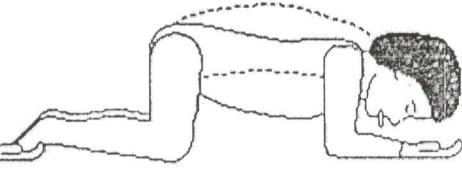

v misce

měla

mlsnotu,

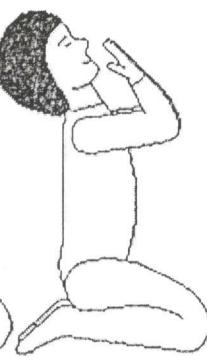

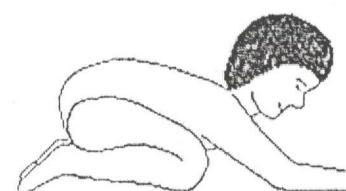

lízala tu dobrotu.

Pila

tiše

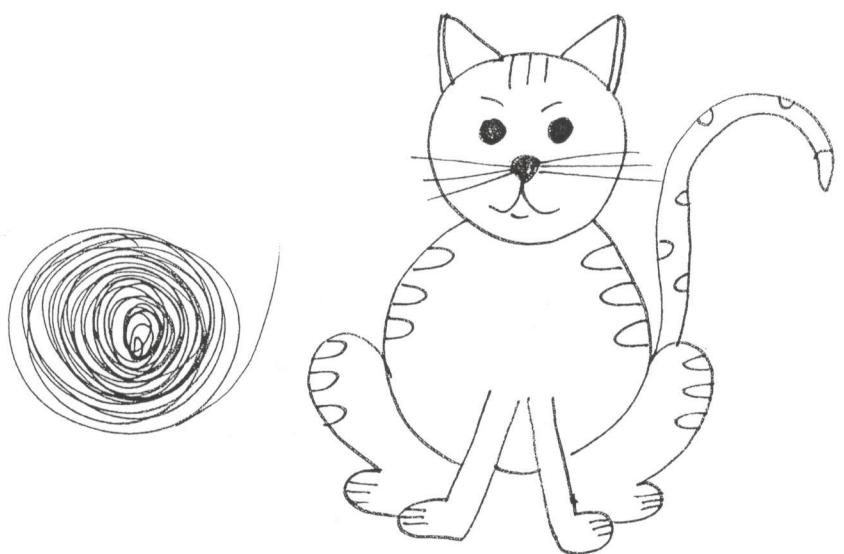

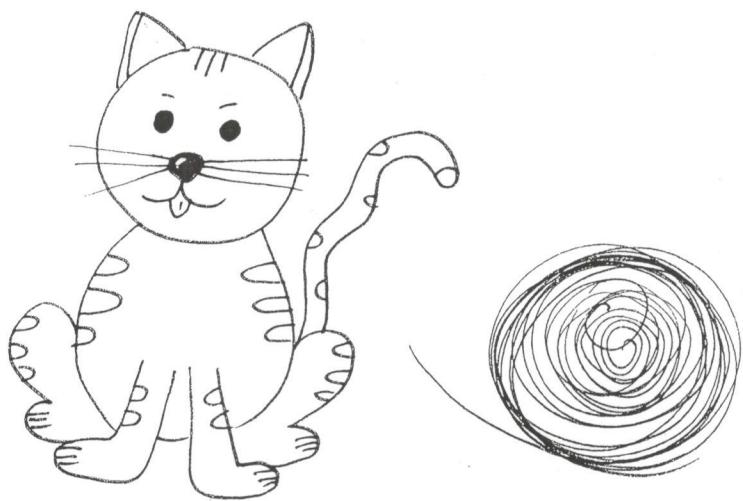

pomalu, pak si lehla na trávu. V bříšku měla teplíčko,  
upředla nám klubíčko.

Zvedla hlavu,

sedla si, dala ruce nad vlasy. Malovala sluníčko,  
poprála mu štěstíčko.

DOMALUJ KOTÁTKU KLUBÍČKA
